DEPARTMENT OF ENERGY AND ENVIRONMENTAL PROTECTION

Notice of Intent to Amend the Boating Safety Regulations to Establish a Vessel Length Limit on Candlewood Lake

The Commissioner of the Department of Energy and Environmental Protection (DEEP) hereby gives notice of his intent to amend Section 15-121-B15a of the Regulations of the Connecticut State Agencies to establish a vessel length limit on Candlewood Lake. This amendment is being proposed pursuant to Special Act 10-3 and under the authority granted to the Commissioner in Connecticut General Statute Section 15-121(b)(11).

Statement of purpose: Special Act 10-3 requires the DEEP to propose a regulation implementing a vessel length limit of under 26-feet on Candlewood Lake for the purpose of halting the general escalation of vessel size on the lake, understood to be both a cause and a consequence of user conflict. Under this proposed amendment to existing Candlewood Lake regulations, persons operating an unauthorized oversized vessel will be subject to ejection from the lake and/or a fine. Authorization to operate will be given to oversized vessels that have historically been used or that

have been ordered for use on Candlewood Lake prior to the effective date of the proposed regulation, and for the lifetime of a given vessel. Accommodation is made for oversized commercial and government vessels and vessels that have the function of maintaining the quality of the lake environment. While there is an anticipated impact to small business, measures protective of business have been included.

All interested persons are invited to submit comments on the proposed amendment to the Department of Energy and Environmental Protection (DEEP), Bureau of Outdoor Recreation, Boating Division, P.O. Box 280, Old Lyme, CT 06371. All comments should be directed to the attention of Timothy Delgado and must be received by 4:00 PM on January 27, 2012. Comments may be submitted by post, facsimile to (860) 434-3501 or by electronic mail to timothy.delgado@ct.gov.

In addition to accepting written comments, DEEP will also hold the public hearing described below. The Commissioner requests that any person giving oral comment at the hearing also submit a written copy of such comments.
